All We Can Christingle and The Vine At Home

All We Can

Christingle Resources

Host a Christingle Service with a difference this Advent

Every year, many churches host a Christingle service as part of their Advent and Christmas worship. The Christingle symbol is made from a candle in an orange (representing the light and the world) which is typically decorated with a red ribbon and sweets or dried fruit. Make use of these free, exciting resources from All We Can and celebrate your Christingle service with a difference.

Christingle Service at Burnham Methodist Church
